

4 November 2010

### **REVISION OF FUNDING RATES**

1. With the cessation of Skills Programme for Upgrading and Resilience (SPUR) on 30 November 2010, the SDF funding rates for courses commencing from 1 December 2010 will be revised as follows:

<b>Type of Courses</b>	<b>Funding Component</b>	<b>^Courses Targeted at Rank-and-File level</b>	<b>*Courses Targeted at PMET level</b>
Workplace Safety and Health courses	Course Fee	90% of course fee	70% of course fee
Other certifiable courses	Course Fee	80% of course fee capped at S\$7/hour	50% of course fee capped at S\$15/hour
Non-certifiable courses	Course Fee	S\$2/hour	

^ Courses which require below Diploma level qualifications for admission.

\* Courses which require Diploma and above qualifications for admission.

2. For more information, please refer to the respective course brochure, call our customer service hotline at 6248-9999 or email us at [bca\\_academy@bca.gov.sg](mailto:bca_academy@bca.gov.sg).

## A) Professional Training Programmes

Course Title	With Effect from 1 Jan 2011 _ Revised course fee (with GST) (\$)	Remarks
Certification Course for Green Mark Manager	872.05	
Certification Course for Structural Steel Engineers (for public)	1,514.05	
Certification Course for Structural Steel Engineers (for SSSS member)	1,401.70	
Certification Course for Structural Steel Supervisors (for public)	979.05	
Certification Course for Structural Steel Supervisors (for SSSS member)	861.35	
Certification Course in Construction Law & Contracts	1,412.40	
Certification Course on Strategic Planning for FM Executives	1,177.00	
Certified QM/CONQUAS Managers Course	588.50	
Code of Practice on Buildable Design	123.05	
CONQUAS Training (Builders)	203.30	
CONQUAS Training (Developers & Consultants)	203.30	
Design & Installation of Electrical Installation Complying with CP5 & CP88	492.20	
Design of Deep Excavation Temporary Earth Retaining Structures	460.10	
Essential Knowledge in Building Legislations & Submission Procedures on Building Plan Submission	411.95	
Essential Knowledge in Construction Regulations & Management for Licensed Builders	422.65	
Essential Knowledge in Construction Regulations & Management for Licensed Builders (Mandarin)	422.65	
Essential Knowledge in Local Regulations & Construction Practices	422.65	
Geotechnical Instrumentation for Engineers	460.10	
Good Industry Practices - Aluminium Window (for participant with Renovation for Public Hsg Cert)	192.60	
Good Industry Practices - Aluminium Window (public)	240.75	
Good Industry Practices - Marble/Granite/Ceramic Tiling (for participant with Renovation for Public Hsg Cert)	192.60	
Good Industry Practices - Marble/Granite/Ceramic Tiling (public)	240.75	
Good Industry Practices - Painting (for participant with Renovation for Public Hsg Cert)	192.60	
Good Industry Practices - Painting (public)	240.75	
Good Industry Practices - Timber Flooring (for participant with Renovation for Public Hsg Cert)	192.60	
Good Industry Practices - Timber Flooring (public)	240.75	
Good Industry Practices - Waterproofing for External Wall (for participant with Renovation for Public Hsg Cert)	192.60	
Good Industry Practices - Waterproofing for External Wall (public)	240.75	
Good Industry Practices - Waterproofing for Internal Wet Areas (for participant with Renovation for Public Hsg Cert)	192.60	
Good Industry Practices - Waterproofing for Internal Wet Areas (public)	240.75	
Green Mark Professional (Core) - Building Energy Modeling & Thermal Simulation	1,096.75	
Green Mark Professional (Core) - Efficient Building Envelope, ETTV & RETV	411.95	
Green Mark Professional (Core) - Energy Efficient Air-Conditioning for Commercial Buildings	545.70	
Green Mark Professional (Core) - Energy Management & Audit	797.15	
Green Mark Professional (Core) - Solar Modeling	797.15	
Green Mark Professional (Electives) - Efficient Eco-Lighting Design for Buildings	411.95	
Green Mark Professional (Electives) - Energy Efficiency & Efficient Drives	411.95	
Green Mark Professional (Electives) - IAQ Solutions for Sustainable Buildings	411.95	
Green Mark Professional (Electives) - Maximising Green Design through Building Automation	219.35	
Green Mark Professional (Electives) - Passive Building Designs for Natural Ventilation	636.65	
Green Mark Professional (Electives) - Sustainable Acoustics	411.95	
Internal Audit Based on Quality ISO 9001, Environmental 14001 & Health & Safety OHSAS 18001	631.30	
Pile Foundations Design & Construction for Engineers	492.20	

Course Title	With Effect from 1 Jan 2011 _ Revised course fee (with GST) (S\$)	Remarks
Project Management for Construction Professionals in the Building & Construction Industry	1,412.40	
Requirements for Environmental Sustainability in Buildings & the Green Mark Scheme	165.85	
Site Investigation for Engineers	492.20	
Specialist Diploma in Building Cost Management	4,472.60	
Specialist Diploma in Construction Management	3,648.70	
Specialist Diploma in Facility & Energy Management	3,648.70	
Specialist Diploma in Interior & Landscape Design	3,648.70	
Specialist Diploma in M&E Co-ordination	4,606.35	
Specialist Diploma in M&E Co-ordination (with exemption)	2,963.90	
Supervision of Piling Works for Engineers and Supervisory Personnel	492.20	
Sustainable Facility Management Solutions	444.05	
Understanding the Green Mark Criteria for Existing Building and Office Interior	144.45	
Universal Design Guidelines & the BMSMA for Facility/Condominium Managers	230.05	
Universal Design Guidelines for Town Council	203.30	
Workshop on Accessibility in Housing Estates	411.95	

### B) Supervisory Training Programmes

3D Max Fundamentals	561.75	
Construction Contract Administration	615.25	
CORENET e-Submission System Training	304.95	
Effective Supervision in Retrofitting Projects	989.75	
Gas Service Workers Course	1,449.85	
Gas Supply Regulations & Practices	529.65	
Planning & Management of Home Renovation	411.95	
Preparation for TOP/CSC Inspection	208.65	
Recognising Hazards in Deep Excavation for Temporary Retaining Structures for Supervisors	743.65	
Refresher Course for Licensed Gas Service Worker	155.15	
Renovation for Public Housing	230.05	
NBQ in Green Building Operation & Maintenance	2,680.35	
NBQ in Project Supervision	2,680.35	
NBQ in Supervision and Coordination of M&E Works	2,680.35	
Higher NBQ in Green Building Operation & Maintenance	1,160.95	
Higher NBQ in Project Supervision	1,160.95	
Higher NBQ in Supervision and Coordination of M&E Works	1,160.95	
Advanced NBQ in Green Building Operation & Maintenance	1,449.85	
Advanced NBQ in Project Supervision	1,449.85	
Advanced NBQ in Supervision and Coordination of M&E Works	1,449.85	
Builder Certificate in Plumbing & Pipefitting	2,477.05	
Certificate in Building Measurement	2,423.55	
Certificate in Geotechnical Instrumentation for Supervisors	1,845.75	
Certificate in Interior Finishing Co-ordination	1,995.55	
Certificate in Levelling & Setting Out	2,391.45	
Certificate in Pavement Construction & Maintenance	2,284.45	
Certificate in Precast Concrete Construction Supervision	1,995.55	
Certificate in Waterproofing Supervision	1,471.25	
Diploma in Building Information Engineering (Full Time International Students)	27,285.00	
Diploma in Construction Engineering (Full Time International Students)	27,285.00	
Diploma in Construction Engineering (Full Time Local Students)	7,062.00	
Diploma in Construction Engineering (Part Time)	10,143.60	
Diploma in Design (Interior and Landscape) (Full Time International Students)	27,285.00	
Diploma in Design (Interior and Landscape) (Full Time Local Students)	10,143.60	
Diploma in Electrical Engineering and Clean Energy (Full Time International Students)	27,285.00	
Diploma in Mechanical Engineering (Green Building Technology) (Full Time International Students)	27,285.00	

Course Title	With Effect from 1 Jan 2011 _ Revised course fee (with GST) (S\$)	Remarks
Diploma in Mechanical Engineering (Green Building Technology) (Full Time Local Students)	7,062.00	
Diploma in Strategic Facilities Management (Full Time International Students)	27,285.00	

### C) Skills Training Programmes

Basic Electrical Maintenance	695.50	
Basic Plumbing Maintenance	695.50	
Basic Powered Tools Usage	267.50	
Construction Safety Orientation (Course & Test)	37.45	
Construction Safety Orientation (Test only)	16.05	
Demolition Safety Course	304.95	
Essential Knowledge for Waterproofing Workers	192.60	
Explosive Powered Tools Operation	107.00	
Gas Basic Course	1,556.85	
Gas Pipe Fitter	1,000.45	
Installation of Structural Supports for Air-con Condensing Units	513.60	
Introductory English for Construction Workers	203.30	
Metal Scaffold Erection	385.20	
New Cable Colour Code for Electrical Installations	149.80	
Recognising Hazards in Deep Excavation Temp Retaining Structures for Workers	101.65	
Retrofitting Orientation for Workers	139.10	
Rigging Operation	240.75	
Signalling for Lifting Operation	123.05	
Safety Course for Lift Workers	117.70	
SEC (K) Training Course in Autoclaved Aerated Concrete Precision Blocklaying	1,460.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Ducting Installation for Air-conditioning & Ventilation	1,460.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Electrical Wiring Installation	1,647.80	Excluding SEC(K) Test fee
SEC (K) Training Course in Gas Pipefitting	1,588.95	Excluding SEC(K) Test fee
SEC (K) Training Course in Metal Formwork	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Metal Scaffold Erection	1,005.80	Excluding SEC(K) Test fee
SEC (K) Training Course in Painting	914.85	Excluding SEC(K) Test fee
SEC (K) Training Course in Plumbing & Pipefitting	1,460.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Bricklaying	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Interior Drywall Installation	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Plastering	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Precast Concrete Components Erection	1,294.70	Excluding SEC(K) Test fee
SEC (K) Training Course in Spray Plastering	1,460.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Steel Reinforcement Work	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Structural Steel Fitting	1,883.20	Excluding SEC(K) Test fee
SEC (K) Training Course in Suspended Ceiling Installation (Acoustical)	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Tiling	1,353.55	Excluding SEC(K) Test fee
SEC (K) Training Course in Timber Formwork	1,353.55	Excluding SEC(K) Test fee
