BACHELOR OF CONSTRUCTION MANAGEMENT (Building)(Honours)

Full-Time and Part-Time Bachelor Degree Conferred by The University of Newcastle, Australia

**SCHOLARSHIP/
SPONSORSHIP
AVAILABLE**

WHY STUDY WITH US?

- GAIN LOCAL AND INTERNATIONAL PROFESSIONAL & ACADEMIC RECOGNITIONS**

The programme currently holds accreditation from the Australian Institute of Building, the Australian Institute of Quantity Surveyors, the Chartered Institute of Building and the Royal Institution of Chartered Surveyors. The programme is also recognised under the BCA Contractors Registration System (CRS) and Public Sector Panels of Consultants (PSPC) in Quantity Surveying.

- ACQUIRE AN HONOURS DEGREE PROGRAMME WITH CAREER-READY SKILLS**

Designed as a problem-based pedagogy, students of the full-time programme will be exposed to 16-week Industrial Experience with industry firms and trained to solve real-world challenges and be career-ready upon graduation. Students will be awarded a direct honours based on their results.

- OBTAIN ADVANCED STANDINGS & SCHOLARSHIP/ SPONSORSHIP**

An advanced standing of up to 1.5 years would be eligible for students with relevant diploma programmes. Scholarships/Sponsorships are available for eligible local candidates.

Every construction project combines a variety of complex challenges. The Bachelor of Construction Management (Building) (Honours) programme will equip you with the skills and knowledge to manage complexities in construction projects in Singapore and across the world. The programme incorporates content of Building Information Modelling teaching and projects which offers a niche specialty beyond the construction management discipline.

Graduates from the programme will embark on a diverse and exciting career opportunities to be employed as BIM Manager, Construction Manager, Project Manager, Quantity Surveyor, Facilities Manager, Property Developer and self-employed Consultant.

PROGRESSION PATHWAYS, DURATION & FEES

The Programme consists of 30 courses (320 credits) to be taught at BCA Academy, Singapore.

Full-Time - A Full-Time study may be completed in 2.5 years depending on prior qualification (advanced standing would be available for qualified candidate*). A typical Full-Time study without advanced standing is 4 years, with completion of 8 courses per year.

Part-Time - Depending on prior qualification, a Part-Time study may be completed in about 3.5 years (advanced standing would be available for qualified candidate*). A typical Part-Time study without advanced standing is about 5.5 years, with an average completion of 6 courses per year.

SkillsFuture Study Awards of up to \$5,000 is available to eligible candidates of the part-time programme. (For more details, visit www.skillsfuture.sg/studyawards/built-environment.html)

| QUALIFICATION | EST. DURATION ^ | EST. TOTAL PROG FEE ^ (incl of GST) |
|---|-----------------------|-------------------------------------|
| BCA Academy Full-Time/Part-Time Diploma | 2.5 years (Full-Time) | S\$29,000 to S\$39,000 |

The School of Architecture and Built Environment has an international reputation for pioneering problem-based learning, research-led learning, and online and blended learning in both undergraduate and postgraduate built environment programs. There

are more than 1200 undergraduate and postgraduate students studying architecture, construction management, industrial design, property economics, project and disaster management. The school has supported many international students to achieve academic success over the last 40 years and it has a distinguished record in teaching innovation and partnerships with industry.

The school enjoys the highest level of professional accreditation and its graduates are well regarded by industry and employer groups. The school is home to the Centre for Interdisciplinary Built Environment Research which compliments the school's research strengths in creative endeavour; an approach which results in state and national exhibitions, design awards and citations.

BCA ACADEMY

BCA Academy is the education and research arm of the Building and Construction Authority, Singapore. Founded in 1984, the Academy offers a wide range of training and education programmes tailored to the needs of the building and construction industry. These programmes include programmes for professionals, management and executive personnel, and technical specialists.

To enable industry leaders and practitioners to learn from the experience and knowledge of leading experts, the Academy collaborates with established tertiary institutions (such as Carnegie Mellon University, HFT Stuttgart University of Applied Sciences, SIM University, Singapore Management University, Stanford University, University College London and University of Nottingham) to conduct undergraduate and postgraduate degree programmes, and executive programmes.

Part H - Declaration

I hereby apply for admission in accordance with the Act, By-law, and Rules of the University of Newcastle and BCA Academy, and declare that:

- I have read all the brochures supplied. I certify that all information and documentation supplied by me to the University and BCA Academy is true, accurate and complete including all information supplied with my application for admission and or credit. I understand that I must comply with the rules, policies and by-laws of the University and BCA Academy and that failure to do so may result in the cancellation of my enrolment. I authorise the University and BCA Academy to release information regarding my enrolment to Government agencies in accordance with legal requirements. I understand that the University and BCA Academy will not otherwise disclose the information I have supplied without my consent unless required or authorised by law.
- I understand that failure to pay fees and charges owed to the University or BCA Academy by the due date may result in my access to University services being restricted, the cancellation of my enrolment and/or action to recover any remaining debt.
- I hereby acknowledge that the University and BCA Academy reserve the right to revise the programme fees without prior notice, amend the details of the programme, cancel or postpone the programme and change the venue of the programme.
- I consent to BCA, BCA Academy, and BCA's employees contacting me via my contacts (including email addresses and mobile numbers) to market future courses, seminars, conduct surveys, circulate publications (i.e. magazines, periodicals etc). If you wish to withdraw your consent to any use or disclosure of your personal data as set out above, you may contact us.
- Photographs of students may be taken during lessons/activities organised by BCA Academy/University of Newcastle for the purpose of publicity materials, newsletters and other publications.

In signing this form, I have read and agree to all of the above conditions.
