Specialist Diploma in **FACILITY AND ENERGY MANAGEMENT (SDFEM)**

Programme code: 74019FT

Environment sustainability is increasingly gaining ground in the building and construction industry, buoyed by global concerns on climate change and limited natural resources. With the rising trend towards green technologies and renewable energy, there is a need for professionals who are proficient in energy management to operate buildings for optimal building performance.

The Specialist Diploma in Facility and Energy Management (SDFEM) equips students with the essential knowledge to plan and manage building operations and maintenance efficiently.

The programme incorporates Energy Management topics to give students the added competitive edge. Upon graduation, you can look forward to career opportunities as facilities managers or building managers.

Duration: 2 weeks study duration per modular certificate

Frequency: 2 weeks lectures daily from Mon-Fri, 9am to 6pm and 2 weeks for project submission

Venue: BCA Braddell Campus

Fee (inclusive of GST) : S\$6,500

Assessment: Continuous and Project Based

Registration closes 2 weeks prior to modular certificate commencement or when the class is fully subscribed, whichever comes first. Registration can remain open until course commencement date if training spaces are still available.
