- Savings and Expenses (i.e. Commute)
- Time
- Career path
- Research the role (i.e. Personal SWOP Analysis to assess how well your knowledge and experience align with the role requirements)

SWOT Analysis

Your values (E.g. things that you believe are important in the way you live and work)

Career Goals

Key Points

Don't be too fast to say "YES"

Assess

- Does this job suits me?
- Aligned with my long-term career goals?
- How this job impact my life beyond work?

Evaluate

- Should you take the job?
- Negotiate a better deal/reject the offer completely
