Certification Course for

Green Mark Accredited Professional (Facilities Management)[GM AP(FM)]

INTRODUCTION

The aim of the Certification Course for Green Mark Accredited Professional (Facilities Management) is to equip participants with the knowledge and skills to improve and implement sustainable measures and technologies in an existing building. Participants will learn how a building's energy consumption and environmental impacts can be minimised during the building life time, and to conduct Green Mark Assessment for existing building.

CONTENTS

- Green Mark for Existing Non-Residential Buildings (GM ENRB:2017) including baselines, scores and Green Mark assessment
- Various tenant and occupant engagement practices through green leases, green user and green procurement
- Practical strategies and solutions to maximise energy, water and indoor environment quality in buildings
- Smart control techniques and strategies in buildings
- Existing buildings for Green Mark certification and/or recertification

LECTURERS

This course is conducted by a diverse group of experienced green practitioners from the industry and BCA.

ASSESSMENT AND AWARD

This course involves assessment. An e-Certificate of Successful Completion (e-CSC) will be issued to participants who

- Achieve at least 75% attendance; and
- Pass all assessments.
