Legislation Course for Managing Agents

ASYNCHRONOUS & SYNCHRONOUS E-LEARNING

INTRODUCTION

Managing Agents play an important role in managing a strata-titled development. With the increasing number of strata-titled developments in Singapore, it is essential for Managing Agents to keep abreast on the governing laws and related procedures on the management of strata-titled developments.

OBJECTIVE

This course aims to provide the awareness of the key provisions in legislations applicable to and have effect on the management of the strata-titled developments. After completion of the course, participants will have better awareness on the requirements and guidelines of various Acts and legislation of managing a strata-titled development.

CONTENTS

Key provisions of various Acts and regulations applicable to strata-titled developments, such as:

- Framework on Building Maintenance and Strata Management Act
- Building Control Act
- Electricity (Electrical Installation) Regulations
- Environmental Public Health (Swimming Pools) Regulations
- Fire Safety (Fire Safety Manager) Regulations
- Public Utilities (Water Supply) Regulations & Sewage and Drainage Act
- Workplace Safety & Health Act
- The Parks & Trees Act
- 'Anti-Corruption' in the Governance of MCST

TARGET AUDIENCE

Managing Agents, Facilities / Building / Property / Asset / Estate Managers / Officers / Executives working in the FM industry and other professionals who wish to gain knowledge on the requirements of various Acts and regulations.

ASSESSMENT & AWARD

An e-Certificate of Successful Completion (e-CSC) will be issued to participants who meet the attendance requirement and pass the assessments.
