

CoreTrade Supervisor Course (Mechanical & Electrical)

This 35 hours course aims to familiarise supervisors with the essential knowledge to carry out their supervisory role effectively.

INTRODUCTION

The CoreTrade scheme was introduced to facilitate the construction sector in building up a core group of skilled and experience construction personnel to anchor and lead the construction workforce.

From April 2012, a new registration category of CoreTrade Supervisor has been introduced. This new category will extend the career progression path for CoreTrade personnel to move up from Tradesmen, Foremen to Supervisors class.

COURSE TOPICS

- Technical Drawings & Specifications
- Productivity, Quality, Environmental & Health Management
- Authorities Requirement & Submission
- Supervisory Skills & Site Management
- Tools & Techniques for Productivity
- Building Services Technology
- Construction Materials
- Steel Construction
- Inspection of Building Services
- Auxiliary Electrical Systems
- Fire Technology
- Electrical Technology
- Lift & Escalator
- Coordination of Drawings
- Testing & Commissioning of Building Services

EXAMINATION

A participant must attain at least 75% of physical attendance to be eligible to take the examination at the end of the course.

It is **compulsory** to bring along a **valid CoreTrade Acknowledgement Notice (AN)** to be allowed to sit for examination. Participant needs to make a new CoreTrade Application if the AN expired before the examination date. Please note that participants who do not hold a valid AN will not be allowed to attend the test or their test results become invalid.

Those who pass the examination will be eligible for CoreTrade Supervisors registration.

WHO SHOULD ATTEND

Workers seeking to qualify for the registration of CoreTrade Supervisors.

LANGUAGE OF INSTRUCTION

English
