

Preparing and Defending Loss and Expense Claims

INTRODUCTION

Against a backdrop of economic uncertainties, many on-going projects run the risk of going into disputes, claims, delay and disruption. "Loss and Expense" claim is one of the cost claims that are likely to be encountered by contracting parties of a construction project.

OBJECTIVES

At the end of the workshop, participants would

- be equipped with the necessary knowledge to manage Loss and Expense claims;
- be able to recognize the "do's and don'ts" in the claiming process;
- acquire knowledge of legal and technical aspects of claims from experts

CONTENTS

Presentation of a case study on Loss & Expense claims

Discussion on legal and technical aspects arising from the case study

- recognizing the concerned stakeholders
- distinguishing and discussing key dispute areas
- identifying and discussing possible claim areas

Practice on preparing and defending Loss and Expense claims

- drafting and reviewing notice of claims

Final review of the case study

- other forms of contract
- Security of Payment Act

LECTURERS

MR CHRISTOPHER CHUAH is a Partner with Wong partnership LLP, specialising in the area of construction disputes, in both litigation and arbitration. He is also a legal advisor to the Singapore Contractors Association Limited ("SCAL"), as well as a member of the Committee for International Construction and Building Contracts.

He is a Fellow of the Singapore Institute of Arbitrators and the Chartered Institute of Arbitrators, as well as the Chartered Institute of Building. He has also been appointed to the Singapore International Arbitration Centre's Main Panel of Arbitrators.
