INTRODUCTION

bizSAFE is a programme which is administered by the Workplace Safety and Health Council (WSHC) tailored to assist the companies to build up their workplace safety and health capabilities. The programme provides a 5-level approach to help companies build up their capabilities progressively. Companies participating in this programme will gain recognition and benefit from having a comprehensive WSH system in place.

To start the bizSAFE journey, an enterprise's top management has to sign up for this bizSAFE Level 1.

OBJECTIVES

This workshop aims to enable top management to lead the cultivation of safety culture and policies in companies.

CONTENTS

- Overview of the Workplace Safety and Health Act, subsidiary legislation and director's guidelines
- Introduction to risk management concepts, bizSAFE concept (including roles and responsibilities of RM Champion and WSHMS Program Lead)
- Corporate Social Responsibilities (CSR) of companies
- Creating a conducive safety culture in the company
- Financial planning; balancing profitability and safety in the organization
- Business case studies and tangible & intangible consequences of an accident
- Individual Assignment / Group Discussion
 - Preparation of a suitable WSH policy
 - Official endorsement of the company's WSH policy

WORKSHOP LEADERS (From the following pool of MOM-Approved trainers)

MR CHIA BAK KHIANG holds a degree in MSc (Safety, Health and Environmental Technology) from the National University of Singapore. He was the former Assistant Director of the OSH Division, Ministry of Manpower (MOM). Mr Chia has 9 years of experience in the field of Occupational Safety and Health and has worked closely with the industries in risk management and enhancing their OSH capabilities. He has conducted inspection, auditing and evaluation on companies' safety management systems. Mr Chia is currently the Principle Consultant of Team-6 Safety Training & Consultants (S) Pte Ltd.

MR SURESH KUMAR TANGAVELU is a registered Workplace Safety and Health Officer, Auditor and Approved Risk Consultant. He holds Master of Science (Safety & Risk Management) degree from Heriot Watt University (UK) and Bachelor of Science (Health & Safety) degree from Curtin University of Technology (Western Australia). He has more than 20 years of experience in the areas of Occupational Health and Safety and Environment. He has worked as an Inspector with the Ministry of Manpower's Occupational Safety Department for 7 years and carried out enforcement of safety & health laws and conducted accident investigations. After joining private sector, he performed WSH officer role in many landmark projects in construction, manufacturing and Oil & Gas sectors.

MR ABDUL SAMAD ABDUL KADER is a safety, health and environment management consultant with more than 15 years of experience in the construction industry. Prior to becoming a consultant, he worked with LTA for 6 years. Mr Kader holds a Master of Science in Safety, Health & Environment Technology from NUS and an Advanced Certificate in Training & Assessment (ACTA). He was a working group member for Singapore Standards on mobile crane and protective gloves. He is also MOM approved WSH Auditor, WSH Officer, Approved Risk Consultant and NEA approved Environmental Control Officer.
